

IIPA Seeks Input for Impending Rate Cases as Irrigators Slammed with Four – Count ‘em Four – Rate Increases in 2007

IIPA’s executive committee is seeking input from irrigators as we prepare for pending rate cases on both the Idaho Power and Rocky Mountain Power system. A representative network of irrigators from both systems is needed to guide our intervenor strategy. To participate, please contact Mark Mickelsen (208 313-1295); Eric Olsen (208 232-6101); or Lynn Tominaga (208 381-0294).
